

A word from Pastor:

When I stopped by the church today I looked at the empty parking lot. There is something pitiful about an empty lot in front of a church filled with empty seats.

Right now our lives are filled with uncertainties...

UNCERTAIN...It means to "not be able to be relied on; not known or definite." These are uncertain days. There is so much that is not known, or definite.

CERTAIN...It means that which can be "known for sure; established beyond doubt."

In our Bibles there are a few verses that remind us of things that can be "known for sure". . .

Romans 8:28..."And we know that all things work together for good to them that love God, to them who are called according to His purpose."

Romans 5:3-5..." . . . we rejoice in our sufferings, knowing that suffering produces endurance, and endurance produces hope, and hope does not put us to shame, because God's love has been poured into our hearts through the Holy Spirit who has been given to us."

Romans 6:9 "We know that Christ, being raised from the dead, will never die again; death no longer has dominion over Him."

James 1:3-4 "Count it all joy, my brothers, when you meet trials of various kinds, for you know that the testing of your faith produces steadfastness. And let steadfastness have its full effect, that you may be perfect and complete lacking nothing."

Deuteronomy 4:39 " . . . know therefore today, and lay it to your heart, that the LORD is God in heaven above and on the earth beneath; there is no other."

Psalms 46:10-11 "Be still and know that I am God. I will be exalted among the nations, I will be exalted in the earth. The Lord of hosts is with us; the God of Jacob is our fortress."

If you stop and think about it, uncertainty isn't some new concept brought about by an invisible virus that is circling the globe!

This has always been a world of uncertainty. Every day is filled with uncertainty. The future has always been defined by uncertainty.

These are good days to let God be God and for us to rest in the things that we know for certain sure.

God is not the author of uncertainty... Let's find rest in the fact that God knows the end from the beginning.

He even knows when the parking lot will show signs of life and LWBC will reopen!

God Bless:

Pastor Roger
